

Six weeks to re-discover mission and re-imagine church

fresh
expressions

How can we explore what God is doing in our area, culture and context?

How can we engage with Bishop James' Growth Agenda and challenge to "re-capture the dynamic of the New Testament Church and make Church a daily reality in the lives of every person in our parish?"

An inspiring and encouraging six week course, ideal for parishes or deaneries. This course is aimed at anyone interested in and looking for inspiration for developing mission in their local area.

Why bother with mission-shaped intro?...

To help you and your church:

- think creatively about mission and calling in your current context
- become aware of, and engage with, the cultural changes in contemporary society
- begin to engage with and answer the challenge of Bishop James' Growth Agenda.
- explore how to better shape your church for mission
- understand what 'fresh expressions of church' may look like, and how they relate to traditional patterns of church ministry.

This course is facilitated by members of the Church Growth Team who will work with the hosts in preliminary and follow-up sessions if required.
